The Shadow KW Flamenco Fest 2020

OFFICIAL PROGRAM

July 21 - 31, 2020

After the first 2 successful years of the Little KW Flamenco Fest, interest had grown to the point where this year, CalúJules Flamenco Plus had planned an expanded experience. The original 2020 KW Flamenco Fest program would have run from July 21 – 31, offering 7 workshops, 4 performances, and 2 international Guest Artists at various venues in Uptown Waterloo. But, as we know, the year 2020 had other plans in mind. With the pandemic and ongoing physical distancing restrictions, we shifted our plans and now offer the Shadow KW Flamenco Fest, with a reduced schedule of workshops and performance, covering the original time frame. Please enjoy the spirit and artistry of Flamenco with us this year.
